

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 29, 1996

SUBJECT: **SB 1977 - HB 2283**

This bill, if enacted, will extend the sale of liquor-by-the-drink to other establishments by expanding the area for a historic district that has been designated as a national historic landmark to include that area within four (4) blocks on the same street as such historic district.

The fiscal impact from enactment of this bill is estimated to be increased revenues to the state and local governments to the extent additional establishments are opened. Such increased revenues cannot be determined but are estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James A. Davenport, Executive Director
